Grants.gov Release Notes
R2025-01.1 Applicant Report

_____

Production Deployment: March 19, 2025
Training Deployment: March 20, 2025

Release Notes Overview

Summary of Changes

- Applicant Report: Allow searchability using email address or mobile phone number

- Addition of "Reset" button

Impact

- Broadening from the previous, exclusive ability to search Applicant Report using Grants.gov username, grantors and administrators can now look up accounts using two additional unique identifiers: email address or mobile phone number.

- With this new feature, grantors and administrators may now clear information by clicking the "Reset" button.
